Job Placement and Employer Engagement

About the Workshop

Job Placement plays an enormous role in the success of RJCP providers. Shifting focus to develop and deliver a quality Job Placement service is vital for continued success.

This 1-day workshop will take participants through the Job Placement side of RJCP. Participants will examine the way in which Job Placement works and identify opportunities for creating employment opportunities for their job seekers. The workshop will also focus on skills to market job seekers directly to employers.
